"To acquire knowledge,
one must study;
but to acquire wisdom,
one must observe."

ACTIVITY BASED LEARNING

The learners of PYP V deeply indulged in making statues and model of temple to present Gandhara Civilization and the learners of the Pixie World looking interested and deeply busy in making the activity of Water Animals. Activity based learning is indeed the true learning where there are not only books but practicality and true education at hand.

Study Visit to Taxila

Inquiry outside classroom is a distinguished feature of IB learners. The learners of PYP-III visited Taxila to observe the history and civilization. On the other hand the learners of PYP-III gave a park a visit to observe the plants and their types and to learn about their different types and similarities.

LEADERSHIP CONFERENCE

Co curricular activities help a child to transform into a new better version of them. AIC provides an opportunity for the students to join societies and clubs to explore themselves. A conference held by Ms. Madeeha Anwar, infuses leadership skills in the students which help them in their practical life. In the end, leaders of the societies were announced.

INTERSECTION RUGBY

Motivation, simply defined, is the ability to initiate and persist at a task. To perform your best, you must want to begin the process of developing as an athlete and you must be willing to maintain your efforts until you have achieved your goals.

DAY SCHOOL LAUNCHED AT LITTLE ANGELS CAMPUS

Future orientation is combined with a notion and expectation of progress, and nothing is impossible. Education is the passport for the future, for tomorrow belongs to those who prepare for it today. The Day School is successfully launched at the Little Angels Campus.

LAMUN LAURELS

A winner is someone who recognizes his God-given talents, works his tail off to develop them into skills, and uses these skills to accomplish his goals. The winners know how to do it. The AIC Debating Society participated in LAMUN and brought the Laurels back to Faisalabad

PMC DEBATING TOURNAMENT

A good leader can engage in a debate frankly and thoroughly, knowing that at the end he and the other side must be closer, and thus emerge stronger. You don't have that idea when you are arrogant, superficial, and uninformed. AIC successfully lifted U-19 Trophy at PMC Debating Tournament.

Activities During Lesson

Creative activity could be described as a type of learning process where teacher and pupil are located in the same individual. The highest activity a human being can attain is learning for understanding, because to understand is to be free. PYP learners of the Atlantis Campus busy in Transdisciplinary Activity.
